

D60 Summer Championship: Round 3

Race Report

Round 3 of the championship rolled around with 31 drivers lining up on the grid for the 60 minute endurance race.

For the third round in a row Ian Del-Pizzo put his kart on pole position with a 49.815, Kevin Merrick 2nd with a 50.096 and Max Robinson 3rd with a 50.294. Just 0.9 seconds separated the top 12 in qualifying, showing the competitive nature of the race to come.

Once again the race was dominated by the usual suspects and the top 8 drivers all finished on the same lap separated by little over 35 seconds.

It was by no means an easy race for eventual winner Ian Del-Pizzo as he got himself into a few sticky situations and he was harassed all the way to the line by Max Robinson who ended up just 8.69 adrift, third place man Kevin Merrick was 11.236 seconds adrift come the chequered flag.

Heavy Winner James Northfield came home in 5th place, with Brian Alexander 2nd in the heavy category just 2 seconds further back. Neil Moodley was 3rd in category but 9th overall.
