

Dwayne Marsden claimed pole position for the heavyweight race setting a laptime of 33.752 seconds. Ryan Welch and Julian Philippe round out the top 3.

A similar start to the Light race saw Julian jump past Ryan into turn 1 to take 2nd place. Dwayne managed to pull a small gap of around 2 seconds then controlled the race perfectly keeping that gap. Julian came under a lot of pressure from Ryan throughout the race but managed to hold his nerve with some excellent defensive driving while still keeping Dwayne in sight. Strong lap times from all drivers, The majority just dipping into 33 second times. Dwayne took the race win ahead of Julian and Ryan.
