

Daytona DF1 Champs 2015

Round 5 – 29th July

Very close heavyweight qualifying saw a different driver topping each session. James Clarke looked to have the Pace at the end of Q2 but it was Dwayne Marsden again putting himself on pole position for the Heavyweight race with a laptime of 33.905 seconds, 0.117 quicker than James, Matt Casey 3rd and Julain Philippe 4th just 0.039 slower than James.

Dwayne made a good start while abit of contact behind mixed up the order, Matt Casey and James Clarke dropped back as a result. Ryan Welch made a good start moving into 2nd by the end of lap 10, he held 2nd until the end of the race with Dwayne setting a pace Ryan could not match, Dwayne went on to lap the entire field with the exception of Ryan who was only a few seconds ahead at the end of the race. Julian took another podium finishing in 3rd position after a tough race.

Adam Davis looked to set for pole position until the last lap of the session when Dave Parker put in a blistering lap of 33.466 to take pole position, Adam Davis starting 2nd and DF1 newcomer Luke Gore rounding out the top 3.

A very even start to the race as the front runners all held position. A few laps in Luke and Adam started to battle, swapping positions. This gave Dave a bit of breathing space he needed as he didn't quite have the pace of the drivers chasing him. Luke eventually made a move stick on Adam for 2nd position and set about chasing Dave. Luke was setting a very strong pace although consistency was an issue, he eventually caught Dave and after quite a few attempts, one of which nearly ending his own race, got ahead of Dave and set about building a gap. With the rest of the pack doing similar times the race settled down. Luke Gore put in a lap-time of 32.814 seconds to claim the outright lap record. Dave Parker held on for 2nd place with Adam Davis taking 3rd position.
