## Junior Final

Jordan Cain started the final in pole position followed by Ioan Evans and newcomer Jake Gresty. The lights went out and a clean start was made by all.

James Brown had an excellent start, managing to get himself past Nathan Smith and Jake Gresty to get himself into the top 3. The leading karts were starting to pull a gap away from the rest of the field. James was now on the back of Ioan Evans who was trying his hardest to defend from James.

Nathan Smith, following James Brown also managed to dispose of Jake Gresty in the early stages of the race, allowing him to join the leading pack up front. Jake wasn't giving in easily though, trying to place his kart in the correct the position to make a move but Nathan seemed to have it covered.

A close battle at the back between Oliver Aloul and Oliver Flexen ended in disaster when Aloul seemingly had a lapse in concentration and bumped Flexen out the way. A black flag was awarded and a 10 second penalty shortly followed.

The feisty James Brown was all over Ioan Evans for P2, Jake Gresty and Nathan Smith were in hot pursuit of Brown who seemed to be being held up by Ioan. Jake managed to get up to the back of James and pull off a superb overtaking manoeuvre.

The black flag was shown to James, unfortunately ending his battle with Jake Gresty after a mistake at the turn 8 hairpin saw James hit Jake's rear quarter and send him into a spin. The spin of Gresty and penalty of Brown allowed Nathan Smith to jump up to P3 and into the final podium position.

The chequered flag was waved and Jordan Cain wins InKart round 2, followed by Ioan Evans and Nathan Smith.
