InKart Championship 2015

Heat 1

InKart newcomer Dominic Roberts was on pole position for Heat 1. He made a sensible start and dropped to 3rd position behind Logan Parker and Jake Liptrott. Dominic managed to hold onto 3rd position for a few laps until Eric Su made his way past and then continued to overtake Jake to take 2nd place. Logan took the race win ahead of Eric and Jake.

Heat 2

Borghini Lam was on pole position for heat 2. Eric Su managed to pass him on lap 1 and go on to take the race win. Alex Whipday was also fairly quick to pass Borghini for 2nd place. Joe Slamon struggled as he dropped down the field into 6th position. Logan Parker and Jake Liptrott took full advantage of this and made their way up the pack. Eric took the race win ahead of Alex and Logan.

Heat 3

Another InKart newcomer Jake Liptrott was on pole for heat 3. He made a good start and went on to take his first InKart heat win. Logan had a good race moving up ahead of Joe and Eric to take 2nd place. Joe still finding his feet in InKart but improving every race he does. Alex Whipday had another strong race moving up from 7th position into 4th by the end of the race again scoring solid points. Jake took the heat win ahead of Logan and Eric.

Heat 4

Alex Whipday on pole position for the final heat of the day. A strong race from Alex saw him lead from start to finish. He came under a bit of pressure from Logan Parker finishing 1.5 seconds behind but then a massive 18 second gap back to Dominic in 3rd position who did very well to hold off some very experienced drivers to take that position.

The Final

Logan Parker claimed pole position for the Cadet final. With Alex Whipday and Jake Liptrott rounding out the top 3. Jake Liptrott managed to jump past Alex for 2nd place on the opening lap. He then tried to push to get a gap. With much more experienced drivers chasing him he couldn't pull away. On lap 7 Eric Su managed to overtake Alex for 3rd position, then on lap 9 Jake made a small mistake which allowed Eric to overtake. Jake managed to get back on line and hold 3rd place ahead of Alex. Logan took the final win, 4.1 seconds ahead of Eric who was a further 8 seconds ahead of Jake. Well done to Jake, claiming a podium on his very first InKart round!
