- Managing the Track team, Front of House team and customers in a professional and effective manner.
- Confidently conduct safety briefings to customers prior to race events.
- Demonstrate strict but fair Race management from Race Control (training will be given)
- Liaise with department heads to ensure that events are executed at the highest level.
- Become fully conversant with the company's computer booking and timing systems.
- Become fully conversant of the Track Training Manual, NKA (National Karting Association) guidelines and Employee Handbook
- Assist with the induction and training of newly appointed Track staff whilst maintaining continued development for the existing team in accordance with the Company and Statute requirements.
- Have excellent time management, people management and organisational skills.

The successful applicant will be required to work flexible hours including some weekend and evening work.
